

# RELATIONSHIPS IN A WORLD OF CONFLICT

Loving God, your neighbour, yourself, your enemy

## The 12<sup>th</sup> European Member Care Consultation

16-19 March  
2020

Casa Diocesana  
Malaga - Spain

The world seems to be increasingly polarised, with relationships characterised by animosity and divisiveness even in the church and mission.

- How do we embrace and foster authentically loving and sacrificial relationships in our teams and communities?
- Our Bible studies in Romans 12 will inform our thinking on crucial relationships such as team, church, family, agency, spouse, nationals, persecutors, leaders and God as we see to share the gospel with others not only in what we do and say, but in who we are and how we live.

### WHO IS IT FOR?

- Member Care workers in and from Europe
- Mission Leaders
- Church leaders responsible for intercultural workers
- Those in training or starting out in pastoral care
- People in Human Resources
